Health & Safety 

Base Market

From Tunisia to the world

References

78 MW India

An aerial photograph of a vast solar farm in Turkey. The solar panels are arranged in neat, parallel rows that stretch across the landscape towards the horizon. In the background, there are rolling hills and mountains under a clear blue sky with a few scattered clouds. A small town or village is visible in the distance. The overall scene is bright and clear, suggesting a sunny day.

40 MW Turkey
